SKILLS

Languages: JavaScript, TypeScript, Core Java, HTML, CSS

Frameworks/Libraries: React, Node.js, Express, TypeORM

Databases: MongoDB, PostgreSQL, Redis

QUEUES: RabbitMQ

Tools: Git, Postman, Docker (basic), Vercel, SonarQube

Subjects: Data Structures & Algorithms, DBMS, OOP, RESTful APIs, End-to-End Testing

INTERESTS

Building real-world solutions through code.

Exploring innovative applications of programming.

Listening Music

WORK EXPERIENCE

Software Engineer Earnest Data Analytics

04/2024 - Present

Delhi/India

Achievements/Tasks

- Developed and maintained B2B products: E-RUPI (voucher generation platform), HRMS (employee engagement system), and Vistaar (B2B gift card and voucher platform).
- Built REST APIs from scratch for HRMS, reducing response time by 20%, and fixed bugs to boost system reliability.
- Performed end-to-end testing and bug fixes for E-RUPI, integrating Allahabad Bank APIs, with zero-downtime deployments.
- Developed React-based frontend pages for Vistaar with lazy loading, cutting page load time by 30%, and fixed UI/UX errors.
- Implemented lazy loading across platforms, improving initial load times by 30% and enhancing user experience.

Software Engineer Intern Ansh Infotech

10/2023 - 03/2024

Punjab/India

Achievements/Tasks

- Built MuscleSharks, an e-commerce website from scratch using React, Node.js, and MongoDB, streamlining inventory and order management.
- Developed admin dashboards with real-time analytics, improving operational efficiency by 30%.
- Designed and implemented RESTful APIs with Express, ensuring secure and scalable backend services.

PERSONAL PROJECTS

Anime Merch E-Commerce Platform

- Developed a full-stack web application for anime merchandise sales, featuring product categories, coupon systems, and an admin dashboard.
- Tech Stack: Next.js, Node.js, MongoDB, Vercel (frontend deployed).

MuscleSharks Website

- Created an e-commerce platform with features like product catalog, order tracking, and payment integration.
- Tech Stack: React, Node.js, Express, MongoDB.

EDUCATION

Btech in Information Technology Guru Nanak Dev Engineering College, (Ludhiana - Punjab)

07/2019 - 06/2023

CGPA 7.3/10
